

International Society for Neutron Capture Therapy

10.3.2016

1(2)

Memorandum of Understanding between the FINNISH SOCIETY FOR NEUTRON CAPTURE THERAPY and the UNIVERSITY OF MISSOURI -- COLUMBIA

The International Congress on Neutron Capture Therapy (ICNCT) is a biennial meeting. The 17th conference in this series will be managed by The Curators of the University of Missouri and those they retain to assist (International Institute of Nano and Molecular Medicine), hereafter referred to as the 17th International Congress on Neutron Capture Therapy (ICNCT-17).

Accounting for ICNCT Meeting

The 16th International Congress on Neutron Capture Therapy (ICNCT-16) has provided the ICNCT-17 conference organizers with unspent funds from the ICNCT-16 for supporting the onset of initial conference arrangements.

In case of successful conference organization the unspent funds is to be paid back and forwarded to the next ICNCT conference organization no later than 6 months prior to the first date of the next ICNCT conference.

In case of economic failure by the conference organizers receiving the unspent funds, the unspent funds can in part or in its entirety be waived as an expenditure by decision of the Executive Board of International Society for Neutron Capture Therapy.

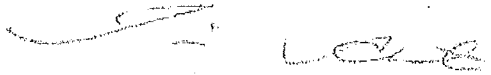

By this document the organizer of the ICNCT-16 agrees to forward the unspent funds of 10,000 (TEN THOUSAND) euros, as defined above and received by the Finnish Society for Neutron Capture Therapy for organizing the ICNCT-16 from the organizers of the ICNCT-15 Conference, to the organizers of the 17th International Congress on Neutron Capture Therapy, to be held at University of Missouri, Columbia, Missouri, USA October 2nd to 7th 2016.

The organizer of the ICNCT-17 agrees to receive this unspent funds with the conditions described above.
